Patient Data Privacy and Consent (GDPR)

In line with GDPR and Irish data protection laws, we collect and process your personal data (e.g. name, contact details, medical history) solely for providing healthcare services, managing your care, and complying with legal obligations.

Your data is stored securely and only shared with relevant healthcare professionals or third parties (e.g. labs, specialists) involved in your treatment or where legally required. We will never use your data for marketing without your explicit consent.

You have the right to access, correct, or request deletion of your data, and to lodge a complaint with the Data Protection Commission (www.dataprotection.ie).

Consent

By submitting this form, I confirm I have read and understood the above and consent to the use of my personal data for medical care and clinic administration. I also agree to receive electronic communications, including emails, related to my care and clinic services.
